

RIVERBANK COLLEGE

Prospectus 2021

I am delighted to welcome pupils and parents to our warm, caring, friendly, inclusive, high achieving school.

Here in Riverbank College our pupils are nurtured, supported, challenged and encouraged to be the best that they can be and that is why our pupils continue to achieve well above the England average in their GCSE examinations.

In our school we focus on our children feeling happy in their learning environment. A happy child will succeed in all their endeavours and we are proud of our pupils' exceptional achievements in the classroom and beyond.

Our school is a small Post Primary School with a huge community spirit. Our pupils feel like they belong here from the moment they start with us; which for most of our Year 8 pupils will be their inclusion in our action-packed summer scheme.

Our pupils greatly benefit from the fabulous relationships they have with their teachers, peers and the larger Riverbank family. This, we believe, is key to our success. We get to know our pupils well. We recognise and reward their successes and support them in overcoming their individual challenges.

Each child's progress is carefully monitored and we communicate regularly with parents to support further attainment. Why not come and visit our amazing school.

There's a warm welcome awaiting you in Riverbank College
